

**Conference Committee Report on  
House Bill No. 570 / Senate Bill No. 1086**

The House and Senate Conference Committee appointed pursuant to motions to resolve the differences between the two houses on House Bill No. 570 (Senate Bill No. 1086) has met and recommends that all amendments be deleted.

The Committee further recommends that the following amendment be adopted:  
by deleting all language after the enacting clause and substituting instead the following:

SECTION 1. Tennessee Code Annotated, Section 4-5-215(b), is amended by deleting the subsection and substituting instead the following:

Prior to the effective date of a rule, the house of representatives or the senate government operations committee may stay the running of the ninety-day period required by § 4-5-207 for a period of time not to exceed ninety (90) days. If the government operations committee of the house of representatives and senate acting jointly determines that subsequent stays are necessary, then the joint committee may issue consecutive stays, each for an additional ninety (90) day period, so long as such stays do not extend beyond the fifth legislative day of the year following the year in which the rule is filed with the office of the secretary of state. A stay is effective when the respective committee files written notice with the secretary of state, and the respective committee shall specify the length of effectiveness of the stay. Prior to the expiration date of the stay, such stay may be withdrawn by the respective committee. Withdrawal or expiration of the stay reactivates the running of the balance of the ninety-day period that remained upon the date the stay was filed.

SECTION 2. This act takes effect upon becoming a law, the public welfare requiring it.
